

CONGRATULATIONS!

Dear student,

It is with great pleasure that we congratulate you for becoming one of the few candidates who have won the opportunity to obtain an internal degree at KIU. KIU is a higher education institute which is equipped with departments, and faculties which represent wide array of academic and professional fields.

As a social responsibility and as an investment towards the betterment of the country we have initiated this scholarship programme to explore the world and gain new knowledge and experiences in world's recognized fields of study. And we believe that this will be a wonderful opportunity for you to enroll as an undergraduate for a UGC recognized and Ministry of Higher Education approved degree program which will open up your pathway to success.

Registration is now **OPEN** for:

- Bachelor of Science Honours in Biomedical Science
- Bachelor of Science Honours in Psychology
- Bachelor of Management Honours in Human Resource
- Bachelor of Management Honours in Marketing
- Bachelor of Management Honours in Accounting
- Bachelor of Honours in Medical Science in Acupuncture
- Diploma in Computer Networks and Cyber Security
- Diploma in Software Engineering
- Diploma in Management Information Systems

Minimum entry requirement: G.C.E (A/L) three passes or equivalent

The main objective of the degree programs that we offer is to bestow you to the world as an earner rather than a dependent. Further with the globalization it is high time that we exposure Sri Lankan students to job opportunities which goes beyond the tradition and reach the international job market. Hence we have decided that our degree programmes to be on par with the requirements of such job markets.

The scholarship examination will be held on **01st of July and 04th of September 2017** at **10.00 am** at KIU auditorium, your admission form is attached herewith. **Please confirm your participation on or before 25th June 2017.**
